Dear Tess E. Fitzgerald,
Clerk of the Board of Supervisors of Santa Cruz County:

Re: APN 045-031-05
Request for Appeal in Re: Shaw/Liberty Garden predevelopment application for construction of single family home;

I appeal the Order, by hearing officer, to impose Chapter 16 as condition to process a Coastal Development application. Chapter 16 is a product of 1990 Santa Cruz County Measure C. Measure C parallels Agenda 21 Sustainable Development policy. I protest and refuse to participate in a Chapter 16 process especially, when as here, the process is itself contrived. The process evidences a goal that seeks to ultimately thrive through and by taking one's use of land. Theft is particularly egregious when conducted by government in violation of natural law.

I hereby request an appeal hearing in the matter of constructing a single family home. I would be open to holding the hearing on site so to include a site review; with request for Ellen Pirie to attend.

Sincerely,

A handwritten signature in black ink that reads "Michael Shaw". The signature is fluid and cursive, written over a white background.
